Cakewalk SONAR X3d Producer Edition Full. Sonar X3e Update-R2R [deepstatus].Hawks' Hayward to play in Olympics despite ACL injury Share this: Hayward and forward Kyle Korver sit on the bench at the Barclays Center in Brooklyn in March. (Mike Ehrmann/AP) Allen Hayward had surgery in January to repair a torn ACL in his right knee. But, when it comes to the Olympics, that won't be a problem. The U.S. men's basketball team's athletic training staff determined Tuesday that Hayward, whose right knee has been swollen since the middle of March, will be able to play in the men's Olympic tournament. "He's going to be available for selection," general manager David Stern said. "He'll be available for selection in a couple of days." Hayward, who has played limited minutes in the last two games for the USA

Basketball team, will serve as the backup center behind Dwight Howard. Hayward's knee problems are mild. "We're not planning on him doing any specific conditioning workouts when he returns and we
